## LETTER FROM THE EDITOR

Gerald R. "Garry" Brookman

Everyone must have seen one of the endless repeats of the video of the eleven (11) year old girl in Sarasota, FL being abducted from a public car wash. She was found dead four (4) days later. Now imagine her having a Doberman or any other type of dog on a leash with her while she was away from home. The police would have found the suspect's forearm bitten off at the elbow, while the girl could have run away and still be alive and unharmed. Please visit

[www.dobermanrescue.org](http://www.dobermanrescue.org)

and adopt a dog so your children can be safe!

Be sure to read "Traffic Stop Scenario" in this edition of the Warrior for information on your legal rights when a LEO stops you while operating a motor vehicle or visit [www.flexyourrights.org](http://www.flexyourrights.org).

Future Warrior issues will contain the articles "Street Stop" and "At Your Door". If you wish to no longer be intimidated by any LEO, obtain a Texas Concealed Handgun License (CHL).

My former employer Winn-Dixie Stores, which operated in Texas until June, 2002, reported an \$80 million loss for 2Q04 ended January 7, 2004 vs. \$91 million profit in 2Q03. WD senior management blames Wal-Mart? There have been four (4) lawsuits by WD shareholders filed to date alleging management fraud. This is exactly what needed to happen to these dishonest, unethical group of management thieves. I have applied to be lead WD shareholder plaintiff. The SEC is investigating the Sarbanes-Oxley (false and fraudulent financial reporting) complaint I filed in July, 2003.

## CHAIRMAN'S CORNER

Sputnik Strain

We went to Harker Heights for the Liberty Riders meeting. When we arrived we found that Cutters had gone out of business. Contacted Grumpy and learned that the due to the action in Iraq their numbers had been decimated and those left were on standby. All of their members are associated with FT. Hood in one way or another. He said they haven't folded the chapter but were just in a stand down mode at present. Keep these Warriors in your thoughts and prayers.

Continued on to Abilene and stopped for the night. Next morning we visited with Larry and Virginia Looney then stopped by Motorcycle Specialties to thank Jerry and Lisa White for their steady financial support. Left Abilene and arrived in Levelland Friday night intending to camp at the Aces & Eights club house that night but Sharon wouldn't hear of it so we spent the night with Bobby and Sharon Froman.

Bobby took us to see their new club house while Sharon cooked dinner. Talk about a surprise, just calling their setup a club house is like calling the new stadium in Houston a football field. They have about 20 acres and built about a 70 by 100 foot insulated metal building from a kit. They poured their own slabs and did all the work. It has 2 very large rooms, rest rooms with showers, a bar, a meeting room and their kitchen would be the envy of many restaurants. Spent a very rainy night in comfort and awakened to a SNOW STORM. WE had breakfast and headed to the clubhouse for the meeting.

In all our workshops this was by far the largest. With about 200 riders present, despite the weather, we explained the delegate process and how important this year would be for bikers. Surprisingly several of those present had never heard of this but pledged their presence at one of the State Conventions. The meeting was also the NWTCC meeting and we thanked them for being our strongest supporters of all the COCs. After the meeting they passed a bucket and presented us with \$181 to help offset our travel expenses. WE shall be able to travel a lot of miles without spending any association money.

We tried to contact someone in Wichita Falls to explain that we dared not travel in this kind of weather more than necessary. Failing to do that we still headed back south. We will get up there in February. Thanks to Bobby and Sharon and all the Aces & Eights M/C members for their outstanding hospitality. They sure know how to treat a guest.

What a weekend this turned out to be. Spent Friday night with Mike and Joanne and thank them for their

hospitality. We attended the workshop in Lewisville, put on by Denton ABATE Chapter and DF/W chapter of TMRA 2 on Saturday. It was a very well orchestrated workshop with Elmer doing the presentation. The attendance was not great but those who were present will be delegates. Both sponsors together donated \$63 to the travel expenses for all the running around being done by your chairman.

While in Lewisville we agreed to return to Waco to attend the HOT Chapter meeting the next day and to be in Abilene on Tuesday night. We attended the meeting in Waco and then headed for Amarillo for the meeting with Kel Seliger on Monday night.

The turnout in Amarillo was unbelievable, especially with the temperature dropping into the teens. Kel was detained in Borger so we ran through the delegate process and gave interviews to the local TV station. Larry said they ran part of the interview on the air. Nancy, Kel's wife spoke to the group about the type man Kel is. They ride a Harley. They have only had it for about a year and a half but both were very enthusiastic about their riding.

Kel finally arrived and we got right down to the nitty gritty with questions. Equal Access, Failure to yield, water rights, school finance, insurance, closure of the Colorado river and other issues. He answered all our questions with answers we wanted to hear but all politicians do that. However he did it with straight for responses and made eye contact with the person asking the question.

It turned out to be more like a group of friends had gotten together to discuss politics. Kel said he would not become a career politician. When asked if he wanted to go to Austin to cozy up with the governor Kel said they are friends but if he is sent to Austin it will be to represent his constituents. He said his door would always be open and if we called and didn't get him he would return our calls as soon as possible. The entire group felt we couldn't go wrong by voting for this man. They later held a debate on TV between the two candidates and our Warriors say Seliger won hands down.

Thank Larry and Diannah for their hospitality on Sunday night.

**THE ELECTION WILL BE HELD ON THE 17th OF THIS MONTH SD 31**

While enroute to Amarillo we received a call that the Corpus COC was meeting that Tuesday night and we could speak at that meeting. We contacted Larry Looney and made him aware of our change of plans.

We left Amarillo and right off got stopped for speeding. Ask me about that stop. I will say here that despite all the things he found he was the most courteous DPS officer I have ever met.

After a long night of fighting fog and horrendous rain(Highways were under water) we gave up trying to get to Corpus. Hopefully we can catch up with them at a later date.

Republican or democrat I hope that you all turn out for the Primaries and become delegates. We need all the help we can get and the winners can only be the people's choice if we all vote.

## LETTERS TO THE EDITOR

TO THE EDITOR:

Don't quit it can be fun.

Just wanted to give you an update to the Dec 20th Senate District 1 sign building.

We had about 10 people show up along with my two boys. I actually didn't get there until 11am, so everyone had an hour head start on me. Two of us were TMRA II members.

Santa was there too, we talked about riding bikes. He is a TMRA (roadriders) member, a beemer rider, and a concealed handgun licensee. Told him about our organization (TMRA II) and we hoped to help take back Texas before Perry gives it away to corporations. Nice to know Santa rides and helps out at political events.

Always suspected Santa was a democrat.

My boys did a wonderful job of helping out. I was completely surprised at the amount of help they did. They jumped from folding signs, putting parts on table, to actually putting the signs together. For two guys of 6 and 4 years, I think I got a lot of work out of them that they did on their own and were happy doing it. I know I enjoyed the banter and getting some good work done. We discussed the child labor laws, but decided they weren't getting paid anyway so we weren't breaking any laws.

Had a good time working and talking. We ran out of nails around 3:30pm so we had to pack it up with 2500 signs completed.

Elmer McKeegan  
DFW Chapter TMRA2

TO THE EDITOR:

Choosing sides will be a big issue this year with Texans. I call on people in the new Congressional District 19 to let us know which candidate would best serve us. Charlie Stenholm has been a long term congressional leader. Should we support him, or just let him fall. We need your input to decide who to support.

Charlie Stenholm has decided to run for reelection in the newly drawn Texas 19th Congressional District. Though it is designed to be unwinnable, Stenholm is a conservative Democrat who has served in GOP leaning districts for a long time. He is the Ranking Member of the House Agriculture Committee and leader of the Blue Dog Coalition. He is a staunch Democrat who criticized Ralph "Turncoat" Hall and others for leaving the party. He is an old school populist- he wants health care, Social Security, veterans benefits, farm supports and the like

for his constituents and wants to protect the way of life of West Texans.

Stenholm is running against a lackey of Tom Craddick named Randy Neubarger who has served only 1 term. This rural district would be better represented by a conservative Ranking Member of the Agriculture Committee than by the conservative sophomore. Furthermore there is one vote that counts the most and when the session convenes Stenholm will cast his vote for a Democrat for Speaker.

## Traffic Stop Scenario

In any given traffic stop, with a few notable exceptions, the below rules will help protect your civil rights and improve your chances of driving away safely—so you don't have to be a legal expert to say and do the right thing.

### 1) Keep Your Private Items Out of View

This is common sense: Always keep any private items that you don't want others to see out of sight. Legally speaking, police do not need a search warrant in order to confiscate any illegal items that are in plain view.

### 2) Be Courteous & Non-Confrontational

If you are pulled over, the first thing you should do is turn your car off, turn the dome light on (if it's nighttime), roll down the window, and keep your hands on the steering wheel. Don't immediately reach into your glove compartment for your license and registration. Officers want to be able to see your hands for their own safety. Wait until the officer asks to see your paperwork before retrieving your documents.

The first thing you should say to the officer is, **“Hello officer. Can you tell me why I am being pulled over?”** The officer may give you a hard time or say, “Why do you think I pulled you over?” Tell the officer you don't know. Most importantly, do not apologize after you get stopped, because that can be considered an admission of guilt and could be used against you later in court.

Show your identification if it's requested. Be respectful and non-confrontational. Refer to the police as “Sir,” “Ma'am,” or “Officer.” Remain calm and quiet while the officer is reviewing your documents. If the officer writes you a ticket, accept it quietly and never complain. Listen to any instruction on paying the fine or contesting the ticket, and drive away slowly.

### 3) Just Say “No” to Warrantless Searches

**Warning: If a police officer asks your permission to search your person or vehicle, he doesn't have enough evidence to search without your consent. You are under no obligation to consent.** If you consent to a search request you give up one of the most important constitutional rights you have—your Fourth Amendment protection against unreasonable searches and seizures.

A majority of avoidable police searches occur because citizens naively waive their Fourth Amendment rights by consenting to warrantless searches. As a general rule, if a person consents to a warrantless search, the search

automatically becomes reasonable and therefore legal. Consequently, whatever an officer finds during such a search can be used to convict the person.

Don't expect a police officer to tell you about your right not to consent. Police officers are not required by law to inform you of your rights before asking you to consent to a search. In addition, police officers are trained to use their authority to get people to consent to a search, and most people are predisposed to comply with any request a police officer makes. For example, the average motorist stopped by a police officer who asks them, “Would you mind if I search your vehicle, please?” will probably consent to the officer's search without realizing that they have every right to deny the officer's request.

If, for any reason you don't want the officer digging through your belongings, you should refuse to consent by saying something like,

**“Officer, I do not consent to any searches of my private property.”**

If the officer still proceeds to search you and finds illegal contraband, your attorney can argue that the contraband was discovered through an illegal search and hence should be thrown out of court.

You should never hesitate to assert your constitutional rights. Just say “no!”

### 4) Determine if You Can Leave

You have the right to terminate an encounter with a police officer unless you are being detained under police custody or have been arrested. The general rule is that you don't have to answer any questions that the police ask you. This rule comes from the Fifth Amendment to the U.S. Constitution, which protects you against self-incrimination. If you cannot tell if you are allowed to leave, say to the officer,

**“Officer, am I free to go now?”**

If the officer says “Yes,” tell him to have a nice day, and leave immediately. If the officer's answer is ambiguous, or if he asks you another unrelated question, persist by asking “am I being detained, or am I free to go now?” If the officer says “No,” you are being detained, and you may be placed under arrest. If this is the case, reassert your rights as outlined above, and follow Rules #5 and #6.

## 5) Do Not Answer Questions without Your Attorney Present

There is no reason to worry that your failure to answer the officer's questions will later be used against you. The truth is just the opposite: Anything you say can, and probably will, be used against you.

In just about any case imaginable, a person is best off not answering any questions about his involvement in anything illegal. Assert your Fifth and Sixth Amendment rights by saying these exact words:

**“Officer, I have nothing to say until I speak with a lawyer.”**

\*Remember- If you do choose to answer any of the officer's questions, always be honest. Police are not easily tricked and will often become hostile if they feel disrespected. If you feel it is best not to answer truthfully, then don't say anything at all.

## 6) Do Not Physically Resist

If the police proceed to detain, search, or arrest you despite your wishes—do not physically resist. You may state clearly but non-confrontationally:

**“Officer, I am not resisting arrest and I do not consent to any searches.”**

Or you may assert your rights by simply saying nothing until you can speak with an attorney.

## CHAPTER REPORTS

### Austin Minutemen chapter minutes for January 6, 2004

The meeting was called to order by Glenn Dial at 7:30pm, followed by the Pledge of Allegiance. We had 42 members attending.

Glenn passed out membership applications and copies of Sputnik's "5 Steps to Freedom".

Jimmy has been elected Chairman (or whatever) of the Texas COC. The COC attorneys are working to reorganize and help make COC more efficient. It was interesting to hear that within 24 hours of being elected, the Governor had already contacted him to come for a "visit". A new San Antonio meeting of COC will be January 18 at Sam's Burgers on Broadway and Josephine St.

Batman sent Glenn an email. The reason Governor Perry said he vetoed our equal access bill was because there are already anti-discrimination laws on the books. Laws yes, but no penalty if they are ignored. Our bill gave "teeth" to the bill. We don't know if we are going to try again this year.

Insurance groups are ganging up on us over the helmet laws. The Sons of Liberty have asked that we boycott these groups and explain why we have chosen to stop using them as our insurance carriers.

Sputnik will be at our next meeting and has asked if he could bring a guest. Sput, do you REALLY need to ask?

Glenn presented three resolutions that we will be presenting during the precinct meetings after the primary votes. Insurance coverage - health insurance cannot refuse payment if engaged in lawful activities. "Failure to Yield" - a class A misdemeanor with a minimum of

30 days jail time. A "Senators not there for votes" - roll call resolution - must be recorded by vote.

Primary elections are in March. Jimmy made the point that every club President should make sure that at least one member of his group is elected as a delegate. Steve also mentioned that all of the club members should show up to vote for the delegate of choice. Some precincts have a large number of retired people that now want to "do their civic duty" and will try to block our guys.

The Toys Runs were a SUCCESS. Next year the JW Rock Christmas Fund will be a "not for profit" group and we are hoping to be able to help twice as many families as we did this year. (This year there were 25 families.) Beverly's Toy Run raised \$3000 to send to that home.

Nanette won the 50/50 and donated her share back. Austin Minutemen collected \$33. Thanks Nanette (me). Our account has \$654.01. Steve adjourned the meeting at 8:40 with prayer. The next meeting will be February 2, 2004 at Vinny's.

### Conch Valley chapter minutes for January 8, 2004

Hello from San Angelo!

The minutes of the meeting are as follows:

The meeting was called to order and opened with the pledge of allegiance and a prayer.

We began with an open discussion of issues that are of importance to us and ways to get involved here on the local level. Suggestions included having speaker come and it was decided that Kendall would contact J.W. Lown to see if he would be open to that. Some of the issues discussed were the illegal immigrant leniency proposals and redistricting as well as helmet laws and yielding the right of way.

We will be looking into contacting our candidates here and finding out when and where they may be speaking or be available to visit with us. Letter writing was also discussed and one member noted that he has always received written confirmation of any communication he has sent to Mr. Stenholm whether it was written or e-mailed. Mr. Stenholm has stated that he will be running in the Lubbock district. Many people here were very happy with him.

That's all for now. Until then.. goodbye and good riding.

DFW chapter minutes for January 14, 2004

Meeting was called to order.

We have some guests at our meeting so we suspended the meeting so they could speak.

Lico Reyes, Democratic Candidate for District 26 spoke to us about himself. His current profession is in the entertainment business and it became very clear he knew how to keep people listening. LICO is a former Grand Juror for Texas - completed the Arlington Citizens Police Academy - was a court interpreter (4 years) of Dallas County on cases ranging from capital murder to child custody etc. - completed the Arlington Citizens Fire Academy - is/has been involved in projects with HUD, US Dept. of Labor, and US Attorney General - has received intensive training from EEOC and the US Department of Justice/Community Relations Service and is a graduate from the FBI Citizens Academy. During the 77th Texas Legislature (2001) I was called upon to witness and offer support to over a dozen bills in the Texas Senate and House of Representatives. These were in Education, Labor, Redistricting and Judicial matters. One of the bills which I helped to pass was at the invitation of Senator Royce West was his "PROFILING BILL." I am happy to say that during my testimony the bill garnered the necessary votes to pass muster in the Senate. Lico is also a Civil Rights investigator and has graciously offered his services pro bono to the Chapter.

Bill Walker and Tommy Smelser also made a few statements on the importance of getting involved and taking this country back for the people. Tommy talked about the effort that will be ongoing to replace Rep Tom Delay. He wants to get enough volunteers along the way so that he can schedule time for people to work and not have to overwork his volunteers. He will get back to us with more info about this effort.

Tommy also talked about the SD1 candidate Paul Sadler. He said Paul is expecting a runoff with one of the republicans. Paul Sadler said he has enough support to get him to a runoff.

The treasurer's report was read and accepted. A motion was made for a donation of \$50 for food to the DFW Chapter Workshop was offered and accepted.

Legislative Workshops are currently going in the DFW area are as follows. Our workshop with Denton Abate is scheduled on February 7th. The VFW of Lewisville has donated their establishment for our Workshop.

The Tarrant County Chapter is going to do their Workshop on February 21st. With these two workshops in

the area, we should be able to get training to everyone out there.

Garry Brookman was there to give us an update on the Warrior and some events that was coming up.

As promised we did a mini Delegate Process. We covered the processes needed to make it to the Precinct convention. The paperwork is simple in nature and can be filled out quite easily. If people only understood how easy it was to get involved, maybe we would have more people doing this. Tommy reminded us that with it being a Presidential primary, it may be more to our advantage to claim undecided when signing in at the precinct meeting. Considering the number of candidates on the ballot this year and the possibility of this going all the way to the national convention, this might not be a bad idea since they will be trying to lure the undecided's over to their camps.

Since I was going to be out of town and it would be good to reinforce the Delegate process one more time. A motion to move the March meeting from March 10th to March 3rd was presented and accepted. The DFW Chapter March meeting will be March 3rd.

The open forum sparked a lot of good information. Lico Reyes was quite forth coming on how to battle civil rights violations and traffic tickets. Some people had to leave, but most were able to stay and did so. The meeting started at 7:30 and was ended at 9:30pm. However most everyone stayed till even later to discuss issues with Lico.

We had yet another really good meeting. The speakers were great and the group participation was tremendous.

I want to again thank Bill Walker for getting these people out to our meeting. He once again came through to make this a very interesting meeting.

We would like to thank everyone for coming out to the meeting. We hope to see y'all again next time. The next meeting will be back at the VFW Post #4477.

**El Paso** chapter minutes for January 21, 2004

Meeting was called to order by Jerry. The Pledge of Allegiance was said by all.  
Rick gave the invocation.

We spoke about incident reports. Apparently no one is being stopped by the EPPD.

We had some politicians attend the meeting. The politicians were as follows:

Rick Porras running for County Attorney  
David A. Aguilera for El Paso County Water Improvement District Director # 1  
Orlando Flores for El Paso County Water Improvement District Director # 4

City Representative Lozano was also in attendance.

As an Organization of TMRA II the El Paso Chapter voted to endorse Jose Rodriguez for County Attorney.

Jerry informed all of the members present that all membership dues will now be due in July starting this year. He also informed everyone how this is going to be working when new members join right now.

Next meeting is February 18, 2004 at Luby's Restaurant, Chelsea & Trowbridge at 7:00 p.m.

**Heart of Texas** chapter minutes for January 11, 2004

The H.O.T. chapter met 1/11/04 at Jim's Cycle Shop The meeting started at 1pm and immediately showed a video produced by Tiggirl of Sputnik's Television show and the "5 Steps to Freedom". It was very well done, and since we don't get Austin TV, I think it was the 1st time a lot of us had seen the show. Thanks Tiggirl!

After a break, we discussed the possibility of TMRA2 holding their yearly May meeting at Jim's Cycle Shop again. This subject was raised at the recent State meeting in Hico to present to the H.O.T. Chapter and the December H.O.T. chapter meeting. The Chapter is waiting on their lazy District Advisor to clarify things with the State Office. By the time this report is read by you (yeah right!), an announcement will have been made.

Much discussion of the Chapter having a SHOTGUN raffle for a fundraiser. As soon as the tickets are printed, a flyer will be submitted to the Warrior. The Shotgun winner will be drawn and announced at the May

meeting. Tickets will be available at Jim's Cycle Shop or from any H.O.T. member. The shotgun has not been purchased yet, but Jim stepped forward and pledged to buy the shotgun with his own funds since the chapter did not have enough money, and he will be reimbursed from the money collected on the ticket sales. The chapter voted on purchasing a Remington or Mossberg 12 gauge pump (or whatever is the best for the buck). It will be on display at Jim's Cycle Shop until the drawing at "Jim's TMRA2 May Bash" (or whatever it's gonna be called.

The meeting was all open discussion with the District Advisor (me) updating the membership on the status of the May State meeting, and the preparations for that. There were 9 members present at the H.O.T. meeting. We had one renewal, and TMRA2 was presented \$100 from the Texas Wheels M/C (Waco). They were already a major contributor to TMRA2 and their support is always above and beyond.

It was stressed by Jim that the next meeting of H.O.T. will probably be the most important of the last 2 years, because it will be the last before the primary on March 9th. We will be passing out copies of the Resolutions and prepping all Warriors to become delegates to their county convention. THIS IS WHAT IT IS ALL ABOUT (right now), so please try to attend.

We passed the can for contributions, Jim gave me \$20 towards buying more calls on callingpost.com and the meeting broke up around 2:30pm.

The next chapter meeting will be held on Sunday, February 8th at 1pm at Jim's Cycle Shop in Axtell. Come on out and bring someone with you.

Ride Free!

**North Central** chapter minutes for January 18, 2004

Starting out the new year we had 5 new guests at our meeting. We welcomed the Leather and Lace M/C, Tracy, Bobbye, Kellie, Patricia, & Peggy. We gave them each a handout explaining who we are, how to become a delegate, what we have accomplished, and urged them to get involved. Since they meet on the same day as our Chapter meeting, we will try to stay in touch via the world of computers. With their interest, it has put a spark back in our Chapter.

One of the concerns brought up by our guests was that fee for the Motorcycle Rider Safety Course has gone up to \$180.00 and this may limit new riders in obtaining

useful information. We explained to them that these are the types of issues we fight for and will continue to fight for each legislative session.

We need everyone to attend the Precinct meeting after the primary vote. The more people we get involved the better the outcome. This has been the best meeting we have had recently. We welcome all riders to get involved. Hope to see more of you at the next meeting.

#### **Panhandle** chapter minutes for January 7, 2004

We showed up at Italian Delights only to find it was closed. Larry then suggested that we adjourn to Diana's house to have our meeting.

When we got there we discussed the candidates running for Teel Bivins' office. We decided that it is a toss up between Kel Seliger and Don Sparks. We know what Seliger has done and Sparks was the only one that answered our letters. In fact his aid stopped Larry and I at the 'Meet the candidates' town hall meeting and asked us if we were there to report back to Sputnik. I know we are supposed to back Democrats but Elaine Miller is the only Democrat running for the job and the only thing she is interested in is education.

We also discussed New Mexico's COC victory in Albuquerque at the Easyrider Café. Seems you can wear colors there now.

We then discussed the EPA and the ramifications of the laws they just passed.  
Meeting was adjourned at 8:30

Cody

#### **Tarrant County** chapter minutes for January 21, 2004

7:10 dancer called the meeting to order. There were a total of 40 people attending (eventually).

Mike Hux led us in the invocation, then we made the pledge of allegiance to the flag of the USA.

Last month's minutes and treasurer's report were read by Sassy. Motions made and accepted.

JQ (new secretary) reported briefly about the recent COC meeting and appreciation for Mike Alvey's talk at that event. He was very informative about bikers' rights involvement and how the COC and TMRA II work together for mutual purposes.

Mike added that he expected closer cooperation with the COC and they look to TMRA II for guidance on many issues. He also brought us up to date on HIPPA and efforts to deal with their unfair power. That Tom Bush wasn't our supporter anymore. Very importantly we all need to attend our legislative work shop February 21st and learn the process and how we can effect it to our advantage. Also that Charles Soechting was the new Democratic state chairman.

Garry Brookman (editor of the warrior) told about life insurance scams being done by large employers, and how you could get it changed. Also reference your rights if stopped by a cop.

Dreamer talked about the Sputnik award and gun sales laws being proposed.

Pops, d man, Andy, Bill Walker, and JQ made various announcements and related information about political matters.

Motion to adjourn carried at 8:07 p.m.

JQ

#### **Tri-County** chapter minutes for January 13, 2004

Larry welcomed all in attendance to the first meeting of 2004. He then opened the meeting with the Pledge of Allegiance. There was no secretary's report (Sorry!!). But, there was a Treasurer's report. Johnnie English, our Treasurer, reported that there was \$656.53 in our bank account.

We then followed with some political news: due to redistricting, Charlie Stenholm will be running in the 19th district. This is basically the Lubbock and Midland areas. We won't even be in his district anymore. But, we wished him luck anyway. We will now be in a district 28 with Amarillo. LULAC and some democrats are taking re-districting to the Supreme Court. We will have to wait to see how this comes out. There are 8 (eight) TMRA II chapters in district 28.

Safety officer, Dean Rosenquist, went over some new laws that have gone into effect that we may not know about. The main one was that a driver must slow to 20 miles per hour less than the posted speed or move over to the next lane when an emergency vehicle is stopped on the side of the road. No one present knew of this new law except the member that is also a police officer.

Next, was the letter from Del Essary, our district advisor. He wrote to let us know about the COC (Confederation of Clubs) meeting. It was to be held on January 17, 2004 in Levelland at the Aces and Eights Clubhouse. All interested were invited to come and see what they

do. Their motto on the invitation was a good one. It read "No Weapons, No Pets, No Minors, and No Attitudes".

We closed with a short discussion about Old Glory Days. Bill Martin discussed a little about what we would need and what jobs people would need to fill. It was decided that we would try to go into more detail next month.

We closed the meeting with a prayer.

## DISTRICT ADVISOR REPORTS

### **#22 - Greg Bodovsky**

It's been a busy month, and it looks to get busier, after all, it's getting time for the primaries. Since the last report, the H.O.T. chapter finalized their plans to raffle off a shotgun at the May meeting. Tickets have been printed up and some were distributed at the February meeting and more will be available at Jim's, as will the shotgun. A flyer was sent to the Warrior. All proceeds to TMRA2 so, buy & sell some tickets.

I went with another member to the District Advisors meeting held at the workshop in Lewisville on 2/7. It was a very good workshop that took us thru the paperwork for the precinct convention. Elmer McKeegan did an excellent job. Sputnik told us about 2 important special elections, and also spoke about our new Congressional district (17) race.

Sputnik spoke to the H.O.T. chapter at their meeting the next day, and told them that if Chet Edwards loses, Texas will lose Fort Hood!!! He told us to get involved in the campaign, which probably won't crank into gear until after the primaries. If you vote Republican, vote on the Dot. Sputnik also wanted all the Independent Warriors to know that we need them to become delegates in the Democratic Party, and for everyone to come to the convention in Houston. Get your Delegate, Alternate, or Guest pass for the convention and show up for the Bikers' Caucus. It's the biggest caucus at the convention and they notice it!!! Come and go, and you'll be proud that you did.

TMRA2 Bash @ Jim's is confirmed for May 14th - 16th. The general meeting will be on the 15th, and there will be a tribute for Armed Forces Day. A flyer was sent to the Warrior and will be online at [www.tmra2.org](http://www.tmra2.org) All the proceeds will be going to TMRA2 AND we get to promote TMRA2 & educate more bikers. If you have any ideas on how to best honor our soldiers on Armed Forces Day, please contact Kim or me.

I attended another Bad Company Chapter meeting in Granbury on 2/4 at Grumps Restaurant. It was a miserable night, but a few people were there and Popeye got thru with his message. One Warrior asked about the "Watch for bikers" signs, and why none were up. I explained that someone will have to convince their local municipality to purchase and erect these signs. They have been approved to be put up by the TXDOT. I apologized for not being more active on this issue. I believe we all ought to do this in our own towns. I will keep you updated on my progress.

If Granbury sounds like a good location for you to go to meetings, you're in the area, or you know someone that would benefit, here is the info:

Grumps Restaurant, 3503 E. Hwy. 377, Granbury 76049, 817-573-5000. Contact Jesse "Popeye" Richter at 817-597-9364 for more information. I hope to see you there.

As always, I look forward to hearing from you and my contact information is on the officer's page. My email address is [hdriver@htcomp.net](mailto:hdriver@htcomp.net).

### **#24 - Ron Ashmore**

We are smoking in Abilene. The City Council proposed a total smoking ordinance for all public places. Members of the Abilene Chapter got involved with starting partitions, putting up signs, working with the Restaurants Assoc. in coordinating an attack. Several members spoke at the Council Meeting on January 22 against the ordinance. The Council listened for 4 1/2 hours as 77 spoke against and 31 spoke for the ordinance. The Council tabled the ordinance for future study saying they would either drop it, appoint a committee with members from both sides or put it up for vote by the public. While we won that battle, there will be another round to go before it is settled. See all the black leather at City Hall next time around.

Gov. Rick Perry was in Abilene and a few members went to the event. He made his way thru the crowd to visit with us. He said that he had been riding the day before and had bought a Harley a few weeks back. Seems he is trying to make amends.

Feb. 10th meeting was candidate night and several local candidates addressed the chapter. Our favorite Rep. Bob Hunter was present and got our endorsement.

Looking forward to March 9th and the new political season.

### **#28 - Del Essary**

Sorry I was unable to make the District Advisors meeting in Lewisville. I had to go to Houston. We had a good workshop along with our COC meeting on January 17th in Levelland. Thanks to Sputnik for coming all the way out here, and to the Aces & Eights MC for their continued hospitality. The workshop was good, but it won't have been successful unless people use what they learned and follow through. So vote in the primaries and attend the precinct and county meetings with hopes of becoming a Delegate to the convention of your choice.

I encouraged many people to attend the District 31 meeting with Kel Seliger. I stressed the importance of this meeting, as did several others. This was also during my trip to Houston. I hope there was a good crowd there to support the Panhandle Chapter. We look forward now to Axtell, the State Conventions, Rock the Caprock, and Old Glory Days. Please do all you can to help with, and support these events. Our association depends on all of us to make a difference this year.

I applaud the chapters of District 28 for continuing to build and educate. Don't give up!

### **#31 – Dean Maltsberger**

Things have been busy in Dist 31 due to the selection of a candidate to replace Teel Bivens. We have had a lot of contact with both candidates (Edwards and Seliger), and at this time, members seem to be sure of whom they will support. Both candidates have solid supporters. I hope we can agree on who we will back before the election. Met with Kirk Edwards after the Permian Basin Chapter meeting in Jan, and must say he has all the right answers. We'll see. Went to Lewisville for the advisor meeting last Saturday....Elmer did a great job of conducting the seminar. It was good to see those who showed, just disappointing that only a few advisors showed. Be sure to be making plans to be at Jim's on May 15 and in Houston June 19 for the convention. Ride safe.

## Insurance coverage Resolution

Precinct # \_\_\_\_\_

Whereas Congress has passed the Health Insurance Portability and Affordability Act (HIPAA) and;

Whereas this Act states that Group Policies can not be withheld from employees based on legal lifestyle, and:

Whereas Insurance companies now sell the policy but refuse to pay claims if you are engaged in any non work related activity they consider to be dangerous, and;

Whereas the Federal government has said this should be addressed at the state level and,

Whereas Texas Riders are required to have medical coverage to comply with the Helmet exemption,

Therefore be it,

**RESOLVED:** A medical insurance policy sold in Texas can **not** refuse payment to any covered individual for injuries received while engaged in any lawful activity except for public demonstrations, sanctioned races and other professional or semi-professional competitions.

# **FAILURE TO YIELD RESOLUTION**

Pct.# \_\_\_\_\_

Whereas Texas Riders spend over \$1,000,000 per year on rider training and,

Whereas most motorcycle accidents are caused by inattentive drivers and,

Whereas motorcycle riders are not as well protected from injury in collisions as drivers and,

Whereas most driver's excuse is "I didn't see him" and,

Whereas most judges allow those drivers to go home after paying a fine therefore be it,

Resolved: Failure to yield right of way to Pedestrians, Bicyclists and Motorcyclists resulting in an accident, shall be classed as a class A misdemeanor. Where serious injury or death occur due to failure to properly yield right of way the minimum sentence must result in 30 days jail time.

# ROLL CALL VOTE RESOLUTION

Pct. # \_\_\_\_\_

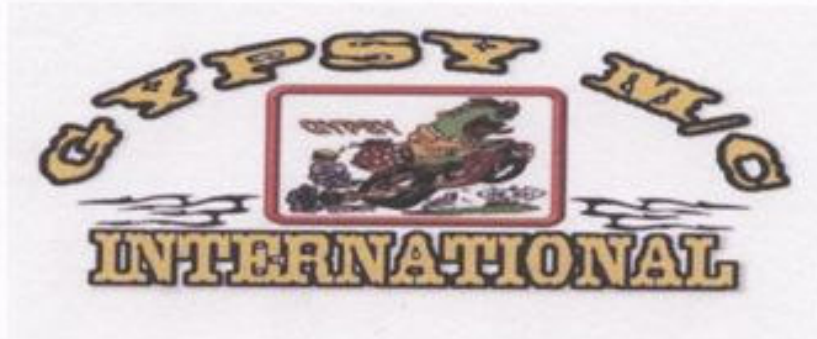

Whereas candidates for Legislative office state positions on issues during the campaign months and;

Whereas Texas voters cast their votes based on those promises and;

Whereas the only method of knowing how your state legislator kept those promises is how they vote on those issues and;

Whereas State Legislators cast voice votes to keep the public from being able to check their vote therefore be it ;

Resolved: The Party will support a rule change requiring that all votes cast in the Texas Legislature must be by recorded vote.
