TO OUR READERS

Gerald R. "Garry" Brookman

The Grapevine Police department refused to return my firearm, ammunition, magazines, and holster when presented with a signed order by a Tarrant County judge. After I started calling the local Fox TV station and my attorney, then they co-operated. The evidence technician had real bad attitude problem but I did force them to return my property.

CHAIRMAN'S CORNER

Sputnik

Once again it has been a very busy month. Working with LP Cycles on the Texas Independence Day Freedom Rally and running around lending support to local candidates. No way of knowing how we came out with our goal of being Delegates but only two have reported not making the grade this time. All Resolutions passed in my district including the one concerning Municipality Powers. Gwen and I are Delegates and I am again Permanent Delegate chair from my Precincts.

It would appear that there were several changes made during the Republican Primary. Reps. Peggy Hamric, Joe Nixon, Kent Grusendorf, Carter Casteel and Elvira Reyna will not be in the House next session. Rep. Scott Campbell will face a runoff election with Drew Darby. Senators Todd Staples and Jon Lindsay did not seek re-election.

In the Democrat Primary Senator Madla was defeated by Rep. Carlos Uresti. Senators Armbrister and Barrientos did not seek re-election. Therefore we know without waiting for the General Election in November there will be some Major changes in the House and Senate next year. That just means we have to build rapport with everyone all over again. Let's get ready now to make these races a priority. We implore all district Advisors and Chapter Secretaries to file reports for the Warrior during this very important election cycle to let other Warriors know what is being done in your area.

Information is the lifeblood of any organization so please file reports in a timely fashion. Send your Reports to the Editor at x0000grb@yahoo.com and CC to the State Secretary at secretary@tmra2.org. If you do not receive acknowledgement for receipt of your Report from both these locations within 4 days then call the secretary at 512-971-8777 to find out why receipt was not acknowledged. Don't forget our State meeting will be hosted by the Hood County Blues Chapter at Indian Creek Campground on Eagle Mountain Lake, May 19-21. The Advisor meeting will begin at 11:00am on the 20th and the General Meeting will begin at 1:00pm. This will be our last get together prior to the State Conventions so come sit in and help make plans for the Conventions. Contrary to what you might have seen on a Flyer there will not be a wet t-shirt contest at the meeting rally. Your chairman erred by not having noticed this prior to writing this Report. For more information or directions contact Mama Blue at 817-243-8870 or woodtx99@sbcglobal.net.

In the very near future there will be another Special Session called for school financing again. With four or five sessions ending in failure and the same people in charge of this one it will be interesting to see who gives in. We can probably expect some type resolution to the problem that will have to be addressed again during the

regular session. The court has given the legislature until June 1st to come up with an approved solution of financing.

Texas Independence Day Freedom Rally

The Texas Independence Day – Freedom Rally, hosted by Lost Prairie Cycles & www.LPCycles.com was a really successful event. Thanks to all those who worked so hard especially Tom, Shari and Terri, for putting TMRA 2 back on it's feet. A real special thanks to Cricket for working long hard hours at the Registration table. She did an excellent job as usual.

Our Sponsors for the Event were ; www.LPCycles.com, Poor Urban Bikers, Clubhouse Magazine, Concho Valley Chapter of the Cossacks M/C, Born Again M/M, Southern Cruisers Riding Club and Bob Gammage. Also we received sponsorship from Texas ABATE

Confederation, Big Dog Ice House, Skunk Dots, Nichols Plumbing, Leggett Cycles, Third Coast Cruisers Riding Club, Babe Johnson insurance and Good Ol Boys Cookin'. Good Ol Boys Cookin'. The crew from Good Ol Boys Cookin' wished to let everyone know they appreciated the way they were treated by the attendees. They donated another \$300 before they left the ranch. Friday nights kick off was beer drinkin, titty flashin, tire kickin' & a bull shootin' good time. Max & The Max Attack entertained the troops later in to the night.

Saturday morning we all hit the ground running at the crack of dawn and ran until way into the night.

The Poker Run started at 9:00am with last bike out at 11:00. Last bike in was at 2:00pm. Then the fun began.

Sputnik sponsored the first ever Run – N – Gun Poker Run in Texas. There were four targets set up on a shooting range in the middle of the ranch with each having a full deck of cards stapled face up. Each target had the cards placed in identical positions. After explaining the rules four participants at a time were called to the firing line. Each was given identical pistols and allowed to fire seven shots at their target. They could then choose their five card hand from the cards hit. Of course this is Texas so there was a 12 way tie for first place. Twelve Royal Flushes!!! There was a one shot tie breaker and first and second place formed an 8.

Everyone really enjoyed the event but next time they will each use their own pistols.

After the Bike Show and Field Events were over the Trophies were awarded.

TMRA 2 has an Award in honor of our previous State Secretary, Cyndi Calhoun who died from Cancer. Cyndi gave up everything and dedicated herself to biker's rights. The trophy is called the "Angel Warrior" Award. When Cyndi passed on she was cremated and part of her ashes are inside the loving cup that sits on the base. The Award goes to the District Advisor who has promoted TMRA 2 the best during the past year. Mike Alvey and

Del Essary are the previous winners. This year it went to Darilyn McClure District Advisor for District 25.

Saturday evenings entertainment started off at dusk with Janet Z and what a start it was. This vivacious little gal pours her soul into each song and her performance is mesmerizing. Most of her songs are written by her but when she does one that was recorded by someone else it sounds as good or better than the original. Next up was Hard Times Truckin' and again it was kick ass. Then the Naughty Nightie contest and the wet Tee shirt contest took center stage and I am told that was some fine entertainment. Sitting out and the gate you can hear the music but can't see what is on stage. The night was closed out by Blind Dog Cooley with more top notch music. Finally about 3:00am it all came to a close.

Sunday morning The Circuit Riders Motorcycle Ministry did their usual great job of bringing the true message of God to those who attended the service. We are deeply in their debt for such exciting services at our events.

However the Rally is not over. That morning Tom and I were discussing how to make the next one better. Mark your calendar for next years Texas Independence Day Freedom Rally. Same time, same place. Just a plain Ol fun time Rally but the information shared will help everyone fix a problem should they encounter the same problem. Again thanks to all our sponsors and those who attended. And a very Special thanks to Tom at Lost Prairie Cycles for the idea, to Shari & Terri for helping put it together and To Cricket for the outstanding work she did with keeping everything at the gate running smoothly.

We would be remiss if we didn't give some praise to Jerry Willis of Mexia. Our original DJ didn't show but Tom called Mr. Willis who was there in 30 minutes to fill in with fine music. Thanks Jerry for bailing us out on such short notice.

All Bills aren't paid yet but it appears that TMRA 2 will realize around \$12,000 from the Rally.

Austin chapter minutes for March 6, 2006

Batman called the meeting to order at 8:00pm, followed by the Pledge of Allegiance. We had 22 members and guests attending. Reading of the Minutes was dispensed. Batman thanked everyone for coming. Tomorrow is Primary Election Day, which accounted for the special Monday meeting. The meeting agenda was to go over the steps to become a delegate at the Precinct Convention, a delegate to the County Convention, and then on to the State Conventions.

TMRAII is sponsoring 5 resolutions to be taken to each of the precinct conventions. Copies were passed out to everyone present. Dee suggested that if there were many resolutions introduced at a Precinct Convention, in order to save time, explanations and discussions, we could make a motion to pass all resolutions as a block.

Dee made a motion to continue to hold Austin Minutemen monthly meetings at the Moose Lodge, there was a second, motion passed. For those who were not there, Dee won the Angel Award at the Texas Independence Day Rally. She thanked everyone at the meeting for his or her help.

Batman is now the new District 14 advisor. Upcoming meetings were announced. We received \$27.00 in donations. Our account has \$143.88.

The meeting adjourned at 9:00 with prayer by Tom. The next meeting will be April 4, (TUESDAY) 2006 at the Moose Lodge.

DFW chapter minutes for March 8, 2006

The March primaries are over and the discussion as to who was left still running. Although there were a few upsets, mostly everyone else came out as expected with the incumbents winning. There was no real competition for the republican governor spot as Perry won handily.

Chris Bell won for the democrats without too much problem. For all democrats will be participating in the April runoff since the US Senator and Lt Governor races will need to be resolved. A great number of Republicans will need to vote in the runoff since several spots are yet to be decided. So for all in the North Texas area don't forget to vote on April 11th. We need to make sure the right people get in office and in some cases this will be the last election they need to win since they are unopposed by any other party. All of the Resolutions passed in each precinct so we know they will be presented at the county level. We need to get people on the committees to make sure our resolutions make it out of committee. With the low voter turnout for the primaries (about 10% total for both sides) we could have an great impact in both parties if we got our people to participate. A list of locations or phone numbers for contact was provided for the March 25th county conventions.

Approximately 150 people came to our Fish Fry event. That is down by just a bit from last year. However the people who attended along with the vendors had a good time and they spend some money. Thanks to the donations we were able to put a little more money in the bank as compared to last year. We didn't get the 200 people we were hoping for, but those that came sure did like eating the fish. The band was just as good as last year and quite a few people hung around until the band finally stopped playing. We hope to have some pictures available soon. Thanks to all that worked to make the event successful again this year. The chapter voted to send the \$1,000.00 to the State.

The Texas Independence Day Rally was a great success for TMRA2. We hope to expand upon this rally next year and make it even bigger. Hood County Blues Chapter is hosting a couple of events here soon. The TMRA2 Preparty on April 30th and then the TMRA2 State Membership Rally May 19-21 at Indian Creek Campground at Eagle Mountain Lake. For all those that went to that location last year it was a great party. Lets get the word out so we can have another successful event.

The meeting was opened with the Pledge of Allegiance. Larry then began by thanking everyone who had brought

food for the meeting. A discussion of local and state politics followed. The primary will be held on March 7, 2006. The gubernatorial race should be interesting.

There are some true characters in it and they may put on quite a show. The races in both Jones and Haskell counties are uncontested. Normally I would remind everyone to vote, but if you want to sign one of the independent's petitions you must not vote in the primary. So you must consider it very carefully.

Next I read the minutes of the previous months meeting.

Roger English made a motion that they be accepted, Warren Wilson seconded it and after a vote they were accepted unanimously. Johnnie English, the chapter Treasurer, gave a treasurer's report. We have \$1,128.50 in the bank, but a check of \$58.00 will be mailed to the state office tomorrow.

The Full Moon ride will be Saturday night and all interested will meet at Peacock's in Anson on January 26, 2006 at 7:00 p.m. for a meal and fellowship. Dean Rosenquist, Safety Officer, brought a guest to the meeting. He was Bruce Stephens, the lead contractor for the new Stamford Assisted Living Center. We welcome Bruce and any other visitors. Then Dean related a sad story about an AEP employee and his wife riding a '99 Gold wing. An elderly car driver pulled a U-turn in front of them. It killed both drivers, but the wife survived. It just reminds us to look for motorcycles and dangers to them when we are riding.

The Lukenbach Run will be May 5 – 7, 2006. It has been moved to Fredericksburg. There are a number of our chapter going, if interested, get your reservation in early.

The 50/50 drawing was held. We collected \$60.00. Jim Wilson won the draw and donated his portion back to the chapter. Thank you Jim!!! Roger English closed the meeting with a prayer.

DISTRICT ADVISOR REPORTS

#01 – Karl Ford

No report

#03 – Cynthia “Kanga” Axtell

I just came in from voting and the strangest thing happened! There were only four people that showed up for the Precinct Convention and WE ran it! Thanks so much Sputnik, for teaching us how to do that. There wouldn't have been delegates from my precinct if you hadn't! I guess I am still pumped up from it; the old adrenalin was definitely having an effect. We got through the meeting and submitted our resolutions and now I have to find out where Headquarters is tomorrow to drop off the minutes and the attendance records with the attached resolutions! I am officially a delegate to the Convention with my feller, Roo and the President of the Longriders and another fella that lives up the street from us. I was 25% of the Precinct Convention as a participant and as the only woman there. 75% of the attendees were white males. (All three of them) Interesting, huh? I owe my District 3 folks a strong apology. I don't think they were as informed as they should have been. Having been to a kick ass Rally for TMRA 2 in Groesbeck, which was quite successful, as I understand, I was remiss in getting information out for this primary. The resolutions we submitted were the Roll Call Vote, HIPPA Insurance, Failure to Yield and Signal light resolutions. It was really a great feeling to see the turnout in Groesbeck, and all the people out there havin' fun in the wind! Thanks to the Longriders and Cherokee Wind Warriors, The Steel Riders--- all from around my district! Thanks, ya'll, for coming out, it's a rough job but somebody has to do it. The Poker Run will go down in history-there was an emergency by one family that was to be the first stop and they had to close and hurry off which left about 40 riders out there with bad directions. Then there was a couple of hiccups on the new directions but what the heck-it just made it that much more fun and interesting! (Good job, Lost Prairie Cycles!) Shooting the pellet gun for your poker hand was a trick. I hit an Ace and a three-missed all of the others! I think the sight was high! It couldn't have had anything to do with three bars for run stops, I am sure. El Paso Warriors were there in force and Bob Thompson, who is running against Senator Wentworth in San Antonio was there in the wind, too! Good luck, Bob! We need someone new in that seat. We need a new Governor, too, as far as I am concerned. Be sure you are registered, be sure to vote. Our lives depend on it! See ya in May!!

GOD BLESS TEXAS, TEXAS INDEPENDENCE DAY & The Lone Star Warriors of The Texas Motorcycle Rights Association - TMRAlI

WOW, its been a busy 4 months to say the least! A benefit for Sputnik on Nov. 19th 2005 and a fundraiser/party on March 3rd 2006 for Texas Motorcycle Rights Association, Texas Independence Day and the bikers of Texas. If you missed "The 1st Annual Texas Independence Day Freedom Rally" you missed making history and you missed a DAMN good time. Bikers have been calling, emailing and personally driving out of their way to thank us for the great time they had. I will quote 1 biker "I have been to a lot of rallies in my life and this rally rates right at the top of my list. When is the next one"? end of quote. Everyone has been asking the same question, when is the next party? SO, my question to the Lone Star Warriors is, when is the next party? Keep in mind this is a ranch. What it means to be a Texan- We have 2 Independence Days in This country, July 4th, 1776(the colonies from England) & March 2nd, 1836(Texas from Mexico). The Republic of Texas joined the Union in 1845, Texas making up 47% of the Union. Texas is and was a Nation, we have special privileges other states do not have(fact)! Texans are a hybrid/special breed. EXAMPLE: I went down to Daytona for bike week a few years ago, I met Andy from Custom Iron Motorcycle Shop a few years earlier in DeLand, Florida(10 miles from Daytona), he calls me Tex. He was spouting off something about Texas (bigger, better, yada yada yada), I put my arm around his shoulder and told him, Brother Andy, we are all Americans but there is Texans and then there is the rest of yawl, he got serious and said "Tex, you're right". NUFF SAID! Special Leaders in Texas History - There are very few times in Texas history when a Sam Houston or a Sputnik comes along, I'm proud to know my Brother Sputnik.

Got the Primary and Precinct Conventions behind us. Several Warriors in the District were elected as Delegates or Alternates to their County Conventions on March 25th. By the time this is read, we'll be elected as

Delegates to our State Conventions. If you don't get elected as a Delegate or Alternate, plan on coming to the Conventions as a Guest. We need all the support we can get, and just showing up, will show your support in a big way. The Hood County Blues Chapter had another good meeting, and is ready to host the State General Membership Meeting and Rally, which will be May 19-21. The Advisor's meeting will be at 11am, and the General Membership meeting will be at 1pm, both on Saturday, May 20th. There should be a flyer in this edition of the Warrior, if not check the TMRA2 websites, or contact me and I will get you some. The Chapter is also having a Pre-Registration Party and Poker Run, which will be April 30th in the Fort Worth Stockyards area. That flyer should be in this issue too. I want to thank everyone in the Hood County Blues Chapter, and especially Mama Blue for all the hard work getting everything organized. Now everyone needs to come out and support TMRA2, and attend these meetings, Poker Run, and the Rally. They will be just a few weeks before the State Conventions, so it will be a good chance to get some last minute information. I've been meeting with a good bunch of bikers in Corsicana each month who get together for a Bike Night. It is sponsored by Aces & Eights MC, and ALL Bikes are WELCOME! Well over 25 showed up last time to have a cold drink, eat, and talk scooter stuff. Everyone brings flyers of their events to pass out, and the TMRA2 members there help spread legislative news and recruit new members. There is talk of turning it into a TMRA2 Chapter, so let me know what you think of that, and come to one. It's on the last Tuesday of the month from 6-8pm. The last several months it has been at Don Jose's Restaurant, located at 2312 W. 7th Avenue. Good food, drinks, and friends (old and new). We had a Heart of Texas (H.O.T.) Chapter meeting earlier today, and everyone shared their Precinct Convention stories. The turnout was good, and we also discussed the new electronic voting machines that popped up everywhere. Contrary to popular misconception, these machines are NOT required to comply with HAVA, and they are worthless in a recount unless they have a Voter Verifiable Paper Trail. You can push that [Recount] button as many times as you want, and that program will spit out the same number, right or wrong! ;-)

Be sure to get your copy of the new Biker Handbook. Contact MamaBlue mamablue@boneproduction.org, go to the website at <http://www.nationalbikershandbook.org/>, or contact or me because I have a few left. There are links from the state TMRA2 websites. The sales of the Handbook help TMRA2!!! If you need to contact me, my email address is hdrider@htcomp.net. Phone # is 245.582.3252. Ride Safe & Ride Free (while U steelcan)!

Our Rep. candidate Kevin Christian will be in a run off with Susan King. Kevin was Bob Hunters Chief of Staff and for him to win will mean we will continue to have support from State Rep. Dist. 71. Susan will be a tough one so we can't quit the campaign. In fact, we all need to work harder to make sure Kevin wins. Darrell, Lenny and myself are once again appointed as the Resolution Committee for the Republic Taylor County Convention so once again all our resolutions will pass and be sent on to State. And once again, we will all be State Delegates to the State Convention at San Antonio. The turnout at the Precinct Conventions was much less than before as we were the only ones to show at most voting sites. Our meetings only required showing up and filling out the form. TMRA2 activity remains slow at Abilene. With the big Harley convention here in May, it is a wonder that the local riders leave all the work to Darrell and Lenny as far as protecting biker rights go. Guess it requires a great deal of work to get such a big convention together. Maby afterwards some will look into a new project such as keeping the right to ride from going away.

Greetings People! Well, I have been getting out and attending as many meetings as possible over the last month. I made it to the Austin COC at Cindy's Gone Hog Wild where the turnout was great. I ran a 50/50 and Dennis Haire won it (\$54) and donated it all back plus with Sputnik and Terri there, we got several (7) new memberships. I even have a possible prospect for a new senate district advisor in the San Antonio. Dennis also told us about an ongoing effort to involve local businesses in helping to supply the proper headgear for our troops out of Ft. Hood. We talked about the Patriot Act, the delegate process, and the resolutions that we want to pursue.

Our Gruene chapter met at the Secrets' on 2/4 and discussed all the updates that I had from the COC, AIM/NCOM and TMRA 2. It proved to be quite interesting. Attendance at the Austin Minutemen chapter meeting up by quite a bit also and the Moose Lodge turned out to be a great improvement over Vinny's with smoking allowed and plenty of seating for everyone. Bart and Thinner covered the political process and since the next meeting date would fall on the night of the Primary Election, it was decided that we would meet at the Moose Lodge on the Monday night before it. We are going to concentrate on the political process to become a delegate and introduce resolutions. At all of the meetings the Texas Independence Day Rally in Groesbeck flyer was distributed to all. I also attended Sputnik's TV show a couple of times and that was a hoot. I am planning on making the Mountain Breeze Run on the

Guadalupe River in mid March plus as many events as I can, including the NCOM convention in May.
Ride Safe and Free!
